She was taken from her home to the station in the B. J. Kelley ambulance and was accompanied by her sister, Miss Kate Carleton, who is a nurse.

A Deer in the Village
At about 8 o'clock, Monday morning, W. F. Benson, who was standing in front of the N. B. Blair store, caught sight of a good sized buck deer, just as it landed from a vault over the fence between the Matthews house and the Drown buildings. Mr. Benson was talking with C. H. Slocum, but before the latter had time to turn in the direction indicated, the deer had disappeared across the garden and over the stone wall behind the Earle store. From there the little visitor jumped the high picket fence behind the C. W. Fitch residence, crossed Pleasant street and disappeared, being seen by several people in that vicinity. Measurements between tracks made in its flight show that it covered fully 30 feet at one jump.

GLORIOUS FOURTH

The Celebration in Morrisville a Great Big Success.

Large Crowd Well Behaved

The Various Events Pulled off According to Schedule, Surpassing all Expectations.

It was a success as predicted. That it was more of a success than some anticipated and fully as good as the most enthusiastic supporters had hoped for, is the general verdict, many being of the opinion that it eclipsed last year's event in some respects.

As a matter of fact it was a real old-fashioned Fourth of July celebration, with just enough of the early morning din and stir to remind one that all the old patriotic spirit was there, although the new, safe and sane idea was in evidence in the early hours as well as during the day. There was not an accident reported during the day or evening and all the events on the well arranged program were carried out with a good degree of punctuality and the various committees had so thoroughly planned their work that everything went off without a hitch.

Practically every town in the county was represented and their citizens cooperated with the local committees in a way that made the day a real county celebration which fact, in no small measure accounts for the great success of the undertaking.

There were many great features on the day's program, but the grand parade, which started at about 11 o'clock, from the Smalley & Co. place on Brooklyn street was eagerly awaited by upwards of 3,000 people for fully an hour before the beating of drums announced the approach of the advance guard, viz: Deputy Sheriffs B. F. Drown and Jonas T. Stevens. While the parade was the big feature and made up of "all-star" attractions, it will, we believe, be generally conceded that the Continental Drum Corps, lead by "Uncle" Eli Gile as drum major, and made up of Lamoille's martial musicians, was the best ever seen in a Fourth of July celebration anywhere, at least in this day and generation. Lest some of their friends were unable to pick them out, we give herewith the personnel of the musicians: W. H. Town, bass drum; Lawrence Foss, Walter Barnes, North Hyde Park, Glenn E. Stone, C. L. Gates, and Charles Bridge, Morrisville, drummers; Lincoln Griswold, Hyde Park, C. H. Crane, Morrisville, "Cy" Webster, Eden, fliers; Arthur Foss, cymbals. The costumes worn were secured through the courtesy of Mrs. Ida Niles Jackson, from the Hooker Costumers Company of Boston. The same idea was carried out in a Fourth of July celebration in Boston this year.

The Parade

The parade this year, while lacking in some of the big features of last year, made up in other attractions and was one of the best ever seen in Morrisville, much credit for the unqualified success of this part of the program being due to untiring efforts of Chief Marshal Elmer A. Smalley, his assistants, Captain S. B. Waite and H. L. Delano and the Executive committee. The parade started on Waban avenue, north of the Smalley & Co. barns and following the advance guard above mentioned, came Marshal Smalley, handsomely attired and mounted and followed by Morrisville Military Band. The parade was divided into two parts the second section being led by the Continental Drum Corps.

The Ball Game

The Chief attraction in the afternoon, following the athletic sports, was the base ball game between Hardwick and Morrisville, the latter winning by a score of 4 to 0. Although this was the first game of the season for the local team, the aggregation sprang a surprise on the local fans as well as the visitors and put over a classy exhibition. The scoring for the local bunch was done in the second inning, with the exception of a lone tally in the seventh, when Lyons went to first on wild throw and scored. In the second inning Morrisville got to Hitchcock good and put three big notches in their side of the stick, thus placing the ultimate result safely on ice. Here is where the heavy hitters began to come back strong. "Dom" Weaver got on by a fumble at short and scored on Kramer's hit to right. "Buck" Boardman sent one to left for two bases, scoring Kramer. Paine, the little short stop, hit another out to left field for two bases, sending Boardman to third. Mercer struck out and Stowell got first by fielder's choice. Boardman scored and Paine was caught at third. Kelley fanned and it was all over.
